## How to find us

By Car: The postcode for your Sat Nav is PL4 0LP.

After leaving the A38 at Marsh Mills roundabout, follow the signs to city centre. At the end of the dual carriageway enter the lane heading for Coxside. From this point onwards you will see signs to Queen Anne's Battery.

By Public Transport:

Plymouth can be reached on a number of train lines travelling to the South West. From the city centre station it is possible to reach Queen Anne's Battery by taxi or bus (no 51 or no 2).

Alternatively a 15 minute walk following signposts to Coxside will lead you into the immediate vicinity of QAB, from where the marina is signposted and quite easy to find.

At the marina: We don't know what berth we will be allocated until we arrive, so please call the boat phone to establish where we are. You may well be able to see the boat or MST banner.

If you arrive early for your voyage, please be prepared to wait until the scheduled start time as we may be busy preparing the boat for you.
